| 9:30 - 10:20| **BBMS1002**  
Fundamentals of Human Anatomy and Physiology  
(Sassoon Road Campus) |                                               |                                               |                                               |        |
| 10:30 - 11:20| **EXSC3018**  
Biological Basis of Exercise and Health  
Dr Parco Siu  
(Sassoon Road Campus) | **EXSC2009**  
Exercise Biomechanics  
Dr Anthi Xenofontos  
(Sassoon Road Campus) | **EXSC3018**  
Biological Basis of Exercise and Health  
Dr Parco Siu  
(Sassoon Road Campus) |                                               |        |
| 11:30 - 12:20|                                               |                                               |                                               |                                               |        |
| 12:30 - 1:20|                                               |                                               |                                               |                                               |        |
| 1:30 - 2:20| **EXSC1002**  
Physical Activity and Health |                                               |                                               |                                               |        |
| 2:30 - 3:20| **EXSC2009**  
Exercise Biomechanics  
Dr Anthi Xenofontos  
(Sassoon Road Campus) | **EXSC2008**  
Physical and Health Benefits of Exercise  
Dr Youngwon Kim  
(LE8) |                                               |                                               |        |
| 3:30 - 4:20|                                             |                                               |                                               |                                               |        |
| 4:30 - 5:20| **BBMS2011**  
Research Methods in Medicine and Health  
(Sassoon Road Campus) |                                               |                                               |                                               |        |
| 5:30 - 6:20|                                             |                                               |                                               |                                               |        |

**Note:** Detailed locations of Sassoon Road classrooms will be released in due course.
